

**Doctor: Richard DeAndrea, MD, ND** is coming to town. Although, he's not Santa Claus, he is gifting us with information that you have never heard about:

→ \*\*Stem Cell Therapy that is available.

→ \*\*Breakthrough Cures for HIV and Cancer.

→ \*\*How to treat IBS, Chrons, and Diabetes.

→ \*\*Breast Regeneration and Weight Loss

\*\*This lecture is for informational purposes only and has not been evaluated by the FDA, with no intention to piss them off.

# Breakthrough Cures

Forget injuries, never forget kindnesses. - Confucius

This lecture will have info that may apply to you and may be new information that can help you or your loved ones personally. Dr. DeAndrea MD, ND, will be available for **only** one day at his Venice office for a limited number of one-hour, \$200 cash private appointments.

If you are seriously interested in booking either a trip to Thailand for treatments, or would like to discuss how to possibly get the remedies in the US, please book with us at the lecture.
